

Joseph Turasz

“At Carmel my teachers really motivated me. My two years here really prepared me for my degree and my future.”

High School:

St Edmund Arrowsmith, Whiston

Achievements at Carmel: 2017-2019

Further Maths (A*)
Maths (A*)
Statistics (A*)
Physics (B)

After Carmel:

Durham University
Maths

Durham uni is great, I've settled in really well. The work is a challenge but it's one that I'm up for. It's amazing how quickly content progressed from A Levels.

If all goes well, I'm planning on completing a Masters Degree here at Durham and then onto a career such as an actuary. My time here has also peaked an interest in investment banking.
