

Oscar Pimlett

“I thoroughly enjoyed my time at Carmel. The tutors really pushed me to do my best and I would definitely recommend studying here.”

High School:

Rainhill High School

Achievements at Carmel:
2017-2019

Maths (A)
Geography (A)
BTEC IT (Dist*)

After Carmel:

Edge Hill University

Primary Education with QTS specialising in Maths

After Carmel I started a primary school teaching course at Edge Hill University and I'm really enjoying my time here. I love living independently and I've become a member of two unions already. I'm also looking at joining a basketball team here soon.

Carmel prepared me massively for university and the teaching enrichment at Carmel gave me a great base to begin my studies off. Whilst on this course I plan to get as much experience in schools as possible to help my career prospects and improve my CV.
