

David Waugh

“My two years at Carmel allowed me to grow both academically and personally. The skills I gained have helped me significantly at university.”

High School:

The Sutton Academy

Achievements at Carmel:
2016-2018

Computer Science (A*)
Mathematics (A)
Further Maths (A)

After Carmel:

Staffordshire University

BSc Computer Networks and Cybersecurity

After Carmel I went on to study Computer Networks and Cybersecurity at Staffordshire University. After my ambassador experience at Carmel, I decided to become a student ambassador here – only this time I get paid! I’ve met lots of great people and achieved more than I ever could have imagined before college.

I’m so grateful for all the support and guidance I received from the staff at Carmel. It’s unparalleled elsewhere.
