

Eleanor Mawdsley

“I learnt so much whilst studying at Carmel. I became more independent and was pushed to reach my potential.”

High School:

Achievements at Carmel:
2016-2018

Tower College

Business Studies (A*)
Economics (A)
Mathematics (B)

After Carmel:

Grant Thornton

Apprenticeship Scheme

After leaving Carmel I joined Grant Thornton in Liverpool on an apprenticeship scheme. I am part of the audit team which involves lots of time out of the office working closely with clients to check the accuracy of their accounts. The duration of my apprenticeship is 5 years by which time I hope to be a fully qualified accountant. I am loving my new role and enjoy the combination of studying and working in the real world.
