

Sophie Harrison

“Carmel helped me prepare for university by encouraging independent learning. My teachers also helped me decide which was the right degree course for me.”

High School:

Tower College

Achievements at Carmel:

English Literature (A*)

2016-2018

Law (A*)

Psychology (A)

After Carmel:

Lancaster University

English Literature and Creative Writing

I'm currently in my first year studying English Literature and Creative Writing at Lancaster University. I'm aiming towards a career in writing and the course is providing invaluable skills to help me in this.

I'm really enjoying my time here. There are many opportunities to expand my approach to the subject, both in terms of analysis and creativity, and this independence has helped me gain confidence as a writer.
