

WHERE ARE THEY NOW?

The majority of Carmel's students progress to university, with many taking up places at prestigious universities.

An increasing number of students are choosing not to go to university and they are equally successful in gaining apprenticeships or employment, some with top companies in exciting industries.

17
students currently studying at Oxbridge.

74
students gained places at university to study prestigious Medicine, Dentistry and Veterinary Science degrees in the last nine years.

98%
progression to university, further education, jobs or apprenticeships.
