Opportunities for access

The College offers a comprehensive Careers Education, Information, Advice and Guidance programme and an overview of this programme can be seen in the College's Careers Programme which can be seen on the College website.

Please speak to our Careers Manager to identify the most suitable opportunity for you.

The College will make a suitable space available for discussions between the provider and students, as appropriate to the activity. The school will also make available ICT and other specialist equipment to support provider presentations. This will all be discussed and agreed in advance of the visit with the Careers Manager or a member of their team.

Providers are welcome to leave a copy of their prospectus or other relevant course literature with the Careers Manager so that they can be displayed in the Careers Office and around College.
