The Times % A/A*-B Grades (19/08/22)

The majority of Carmel's students progress to university, with many taking up places at competitive universities.

The future for an increasing number of students doesn't involve university and they are successful in gaining apprenticeships or employment with top companies in exciting industries.

7

students gained places to study at Oxbridge in 2022.

17

students gained places at university to study Medicine, Dentistry and Veterinary Science degrees in 2022.

98%

progression to university, further education, jobs or apprenticeships. (Known destinations)
