

Transport Update for April 23 - New Termly passes

Depending on which bus pass you use, you will need to ensure you have paid and re-activated your bus pass in order to travel for Term 3.

Merseytravel

If you use a termly Solo pass, in order to renew for term 3, you should take your existing pass **after the 10th April** to your local Merseytravel shop, make the term 3 payment of **£94.80** and your pass will be re-activated. If you have lost your pass you will pay an extra £1 for a new pass as well as the £94.80.

Merseytravel bursary students

If you qualify for the transport bursary, you should take your existing pass **after the 10th April** to your local Merseytravel shop for re-activating. Merseytravel will have the details of qualifying students. **Bus passes will not be valid and you will not be allowed to travel unless you have it re-activated your pass.** Lost passes will be replaced **once** from the bursary fund, thereafter the cost will be deducted from your general award.

Arriva

The College sell Arriva passes on their behalf, therefore to renew you should make the term 3 payment of **£85.00** via **Parentmail**. The College will then notify Arriva that you have paid and your existing pass will be re-activated.

This process can take a few working days so you are advised to make payment as soon as possible after expiry of your current pass, to allow the time for Arriva to re-activate passes. If you lose your pass you must purchase a replacement via Parentmail at a cost of **£25.00** and collect a new pass at College Reception.

Arriva bursary students

If you qualify for the transport bursary, your pass will automatically be re-activated after the Easter break. Lost passes will be replaced **once** from the bursary fund, thereafter the cost will be deducted from your general award.

College contracted services – Warrington & Widnes buses

These passes should now be paid for **IN FULL**. Payment is via Parentmail. **Annual costs are Warrington £420 and Widnes £425.**

Please note - If you have so far only made partial payment, you will not automatically be allowed to travel. If you have not yet paid in full you MUST contact Lenore Burgess, Finance Manager to discuss making payment.

Lowton service

Term 3 payment of **£95.00** should be made via Parentmail before the start of term. **You will not automatically be allowed to travel if you have not paid for a term 3 pass.**

Transport payment enquiries can be directed to the Finance Department by emailing finance@carmel.ac.uk
