scan me!

A LEVEL FASHION & TEXTILE DESIGN

- An exploration of surface, texture, colour, materials and construction
- Engage in the design process, from inspiration to realisation
- Experiment with print, dye, stitch and constructed textiles
- Develop an understanding of professional contexts in fashion design, interior design and art textiles

EXAM BOARD

AQA

YOU WILL STUDY

Year 1

- Develop skills based on a range of project themes
- Gain inspiration from a broad variety of fashion and textile designers

Year 2

- Investigate the design process more independently
- Enhance and develop practical skills further

YOU'LL LOVE...

Extra-curricular opportunities including an annual trip to Graduate Fashion Week, and talks and workshops from industry professionals. You will have the opportunity for your garments to be modelled in the college fashion show.

PROGRESSION

Develop excellent organisation and visual communication skills that can enhance your future career. Many students progress to a range of degree courses or Carmel's UAL Art Foundation Diploma.

ASSESSMENT

Year 1 - Portfolio of practical work

Year 2 - Two units:

- Component 1 (60%) - Personal investigation (1,300 word written study)
- Component 2 (40%) Practical coursework including a timed 15 hour practical exam
