LEVEL 3 CRIMINOLOGY

- Criminology is a Level 3 Diploma. It is graded A* to E and is the equivalent to an A-level
- An exciting subject which incorporates aspects of Law, Sociology and Psychology, and will allow you to understand crime and deviance in detail
- Learn about the impact that crime and criminal behaviour have on society
- Understand different theories of crime, analyse real and contemporary case studies, and study the inner workings of the criminal justice system

EXAM BOARD
EDUQAS

YOU WILL STUDY

Changing awareness of crime

- Study various types of crime, how crime is portrayed in the media, and how campaigns have led to changes in the law

Criminological theories

- Learn about various criminological theories into why people commit crime

Crime scene to courtroom

- Find out what happens once a crime is detected, how a scene is analysed, and the trial process that leads to a verdict

Crime and punishment

- Learn how different organisations work to prevent crime and deviance, and punish offenders

YOU'LL LOVE...

Our extra-curricular programme, which includes trips and visits, guest speakers, and much more.

ASSESSMENT

A combination of external exams (worth 50%) and controlled assessments (worth 50%) which are spread out evenly over the two-year course.
