My Experience

"I am passionate about History and thoroughly enjoy my lessons as my teacher displays a clear passion for the subject and encourages me to delve deeper into every topic. I would highly recommend History to everyone as it provides you with a wide array of skills which are transferable to any degree."

I took part in the St Helens Oral History Project as a part of one of my enrichment activities to gain vital experience within the historical field. I have made many new friends in lessons and in enrichment. After Carmel I plan to study History at university."
