## Geography

Class of 2020 Alumni

Higher Education

Human Geography  
University of Liverpool

Studied at Carmel

Biology	C
Geography	A
Law	B

High School

Wade Deacon

**Carmel College definitely had a role to play in my successful journey to university. Tutors are there to support you academically, but also personally too.**

"I'm now in my third year at the University of Liverpool studying Human Geography. I am absolutely loving my degree! The University has provided me with so many opportunities; for example as part of my second year I spent a semester studying in Australia which was amazing! It helped me to develop myself, and also benefitted my degree with the opportunity to learn about and involve myself in a new culture and way of life, as well as being able to travel around with newly made friends.

At Carmel my subject tutors were incredibly supportive in helping me achieve my aspiration of going to university and studying abroad, especially my Geography tutor!"
