## Forensic Psychology

Class of 2017 Alumni

Higher Education

Forensic Psychology  
Chester

Studied at Carmel

Law	B
Philosophy	B
Politics	B

High School

St Augustine  
of Canterbury

I really enjoyed my time at Carmel and feel that I was given the supportive environment and opportunities that allowed me to succeed.

"I completed a BSc in Forensic Psychology and a Master's of Science by Research in Psychology with a focus on lie detection, false confession, and wrongful incarceration.

I'm currently working as a Review Operations Specialist overseeing the peer review process for a major open-access scientific research journal. "
