High School

Hope Academy

I can't recommend Carmel enough.

The tutors were all so supportive and really helped me when applying to university and perfecting my personal statement. Without this support, I feel that I wouldn't be where I am now.

"I loved my time at Carmel. The campus was so welcoming and I made so many new friends whom I have kept in touch with ever since starting five years ago.

I am currently working as a midwife at Royal Bolton Hospital after getting a First Class BSc (Hons) degree in Midwifery at Edge Hill University.

I have recently been offered a continuity of care midwife job at Warrington Hospital which is my dream job and an area of midwifery I have always wanted to work within.

I will be moving to Warrington in February to start this new aspect of my career."
