My Experience

"10:10 at Carmel is an umbrella encompassing a wide array of support and opportunities for students to grow morally as people and to prepare themselves to achieve after and outside of college. The RE lessons are inspiring and we get to discuss and debate current topics. The PATS are always there to help students navigate Carmel life.

The support at Carmel is underpinned by the Catholic, inclusive ethos. A message deeply resonated by Carmel's opportunities for growth that are always there, but never imposed."
