**Law**

Class of 2023 Alumni

**I enjoyed my time at Carmel with its highly supportive learning environment. I attribute much of my success to the excellent staff who have guided me along the way to where I am now.**

“After Carmel I progressed to study Law at the University of Cambridge.

Whilst the course is certainly challenging, I enjoy embracing the challenge. The quality of teaching is excellent, as expected. Furthermore, I love the new experiences and independence of university - the breadth of opportunities have been nothing short of amazing.

I have recently been nominated as a finalist at the British Education Awards for my A Level results and extra-curricular success. I'm really looking forward to the awards ceremony.”

Higher Education

Law
