You can even check your payment dates if your application is accepted.

The Bursary scheme consists of a number of elements:

General Bursary

The General Bursary is aimed at financially assisting young people in ways that best fit their needs and circumstances. Awards will be targeted towards those young people who face the greatest financial barriers to participation. Payments will therefore be tiered (Band A £17,850k or below award £1050*, Band B £17,851-£26,250k award £786* and Band C £26,250-£31,500k awarded £528*) these payments depend on individual financial needs as well as the cost of transport (for those who live outside a 2 mile radius of College), meals, books/equipment and siblings/children within the household. **Payments may be direct or indirect.**

As part of your application, you may wish to opt for 'payment in kind' such as Printing credit, Laptops/Tablets, payment of exam resits/remarks etc. **The Student Bursary can not be used for learning support, extra-curricular activities or support general household incomes.**

A letter from your School or Local Authority confirming this will be needed as evidence when completing your application.
