I couldn't have made a better decision than choosing Carmel. The tutors consistently supported me, pushed me to reach my potential, and gave me the tools I've used throughout my degree and now in the workplace

I went on to study Real Estate at Liverpool John Moores University, which i thoroughly enjoyed. I graduated with a First Class degree and was also awarded the Outstanding Dissertation for Real Estate award.

Since graduating, I have relocated to Dubai and am currently working as a Graduate Commercial Surveyor. I am enrolled on the RICS 24-month Commercial Real Estate Pathway with the RICS and plan to sit my APC in Autumn 2027, with the aim of becoming a chartered surveyor.
