

Cian Goodwin

Maths Masters student

Class of 2022 Alumni

Higher Education

**(MMath) Mathematics
University of Leeds**

Studied at Carmel

Mathematics	A *
Further Maths	A *
Physics	A *

High School

**Great Sankey
High School**

My time at Carmel was key to my personal growth, building the problem-solving skills, independence, and confidence I rely on at university.

After leaving Carmel, I started studying for an Integrated Masters (MMath) in Mathematics at the University of Leeds. This is a four year course so I am in my final year now. I have thoroughly enjoyed my 4 years in Leeds, my proudest achievements are:

- Winning an award for achieving a Top 10 average grade in my cohort in each year of my course.
- Completing a research internship with the University of Leeds School of Maths in the summer of 2024.
- Becoming President of the Handball Society and helping to grow the society to over 100 members.
