

Emmy Mae Edwards

Claims Handler, Keoghs

Class of 2022 Alumni

Higher Education

Law
University of Leeds

Studied at Carmel

English Lit	A*
History	A
Law	A*
EPQ	A*

High School

**Childwall Sports &
Science Academy**

I can't express how much of a transformative impact Carmel had on both my academic journey and personal development. Specifically, the tutors helped me to realise my future career aspirations by believing in me and showing me what was possible. Carmel was simply the best!

During my time at university, I was the President of Women Breaking Barriers in Law, a student-led initiative to empower the next generation of female pioneers within the legal industry. Additionally, I won the University of Leeds x University of Law Debate Competition and was a finalist in the University of Leeds x Herbert Smith Freehills Mooting Competition. Currently, I'm a Claims Handler for Keoghs managing a public liability caseload, putting into practice elements of Tort studied during A-Level. In the future I plan to take the Bar Course to become a Barrister.
