

Faye Collins

Law Graduate

Class of 2022 Alumni

I definitely wouldn't be where I am today without the support and education I received at Carmel College. It is an excellent college and helped to prepare me for university.

I have recently graduated my Law degree at the University of Liverpool and I am currently studying the LLM SQE 1 and 2 with the University of Law (Liverpool Campus). This consists of studying towards my SQE 1 and 2 (in which I will be sitting my SQE 1 over the next 2 weeks), and a Law Masters Degree, in hopes to qualify as a solicitor. The end goal is either a Family Law Solicitor or a Sports Law Solicitor!

At university I met some of my best friends and the lecturing is excellent. I would definitely recommend Liverpool to anyone who is thinking about going to university!
