## Sellafield Degree Apprenticeship

### Class of 2022 Alumni

#### Higher Education

**Engineering Degree  
Apprenticeship**

**Sellafield Ltd**

#### Studied at Carmel

<b>Chemistry</b>	<b>A</b>
<b>Mathematics</b>	<b>A*</b>
<b>Physics</b>	<b>A</b>

#### High School

**Wade Deacon**

**I really enjoyed my time at Carmel; the quality of teaching was excellent. The subjects I studied gave me a strong foundation to pursue a career in engineering.**

I started my engineering degree apprenticeship with Sellafield Ltd in September 2022. I'm in my 4th year of the 5 year degree apprenticeship scheme. I'm based in the design office, working with a mechanical design team. I'm currently completing my BEng (Mechanical and Manufacturing Engineering) at the University of Lancashire on a day release arrangement as well as my Level 6 Nuclear Scientist and Nuclear Engineer Apprenticeship.
