My time at Carmel College was such a positive experience. The teachers genuinely care about their students, which makes the environment feel really encouraging and motivating. The help, especially with my application to Oxford, was invaluable; the preparation and guidance I received ensured that I felt confident and ready, and I honestly don't think that I could have asked for better support! Carmel provided me with such a strong foundation to take on my university studies!

I have just graduated from Oxford, and I loved my time there. I am now a future trainee solicitor at Slaughter and May, a Magic Circle law firm in London, and am about to commence my studies for the SQE (Solicitors Qualifying Examinations) next month, working towards qualifying as a solicitor in commercial law.
