Cambridge Law student

Class of 2024 Alumni

Going to Carmel gave me the confidence and support I needed to become more ambitious in my aspirations.

"I am currently in my 2nd year of my Cambridge Law degree and am set to go on a year abroad to Singapore next year.

I am now thoroughly engaged in student life at my college, and am leading the Corpus Black Brilliance Residential - the first residential created specifically for black students to come to Corpus."
