Foundation Governor Vacancies

Carmel College is a high-performing Catholic sixth-form college in St Helens, well known for its delivery of quality education to over 2,000 students.

We are currently looking for two new Foundation Governors to join our Governing Body and help shape the strategic direction of the College, ensuring that its educational provision remains appropriate to the needs of its students and wider community.

Foundation Governors form the majority group of governors on the Governing Body and are appointed by the Episcopal Vicar for Schools and Colleges on behalf of the Archbishop of Liverpool. As practising Catholics, Foundation Governors are responsible for upholding and developing the distinctive Catholic ethos of the College.

The role of Foundation Governor at Carmel is both challenging and rewarding, providing an opportunity to be involved in the strong strategic leadership of a successful sixth-form college.

All applications are welcome and will be considered in the context of the Governing Body's current skills mix and diversity profile. We are, however, particularly interested in applications from individuals with professional skills and experience in the following areas:

- digital technology / artificial intelligence
- legal
- finance / accountancy

Applications from women and people from ethnic minority backgrounds are particularly encouraged as we strive for a governance profile that is reflective of our College community.

If you are interested in applying and would like further information about the role, please contact the Clerk to the Governors by email at clerk@carmel.ac.uk or by writing to the College.

Carmel College has a commitment to safeguarding and promoting the welfare of students and expects all staff and volunteers to share this commitment. All positions are subject to Enhanced Disclosure Clearance through the Disclosure and Barring Service (DBS).
